4. At the end of the Career Guidance Week, the students shall have:
 - Acquired information on discovering one's strength and developing awareness, the qualification standards for some types of career jobs, making informed decisions on career choice;
 - Developed awareness and appreciation of the available jobs/choices in the labor market, their needs, interests, aptitudes and inclinations
 - Experienced careers they are aiming at, matching their interest with the possible career in a given array of choices, identifying a career fitted to one's interest
4. The Department of Education through the **Class Advisers, Guidance Counselors/Advocates/Designate and other school officials is the lead implementer**. Experts from other government agencies such as Technical Education and Skills Development Authority (TESDA), Commission on Higher Education (CHED), Philippine Regulation Commission (PRC) and Department of Labor and Employment (DOLE) may be tapped as resource persons to ensure the success of the Career Guidance Week activities.
5. All expenses relative to the Career Guidance Week shall be charged to the School MOOE and other local Fund subject to usual accounting rules and regulations.
6. All schools will submit a soft copy of the narrative report on the conduct of the Career Guidance Week on or before August 2, 2019 with a minimum of three-page photo documentation to angeli.diaz@deped.gov.ph and kathreen.mendoza@deped.gov.ph.
