2022 Fourteenth International Fo Guang Yuan Young Artist Award "Root for the Three Acts of Goodness Warriors" Drawing Competition

I. Theme

The theme of this year's drawing competition is "Root for the Three Acts of Goodness Warriors." Aftermath of the pandemic raging across the world saw many people devoting themselves to the works of epidemic prevention, making contributions to help mankind selflessly. These people are scientists, health care workers, airport staff, cleaners, philanthropists, clerks, and every member of the family. Confronting the frightening pandemic, everyone worked hard in following prevention guidelines and protected each other's lives bravely. Because so many people practiced the "Three Acts of Goodness" advocated by Venerable Master Hsing Yun of "Do Good Deeds, Speak Good Words and Think Good Thoughts," we were able to enjoy a peaceful and healthy life. These people who worked hard in carrying out epidemic preventions are a group of "Three Acts of Goodness Warriors." Hope everyone can draw the stories of the warriors around you through painting and let's cheer them on together!

THE THREE ACTS OF GOODNESS

Caring for the Earth's Biodiversity – 6th International Children's Environmental Conservation Drawing Contest

Objectives

“International Children's Environmental Conservation Drawing Contest” is hosted by China Soong Ching Ling Foundation and Master Hsing Yun Cultural and Educational Foundation. Its missions are to enhance child development and learning, promote environmental and psychological wellbeing, and encourage environmental protection at a young age.

I. Theme : “Caring for the Earth's Biodiversity”

Biodiversity is the foundation of life on Earth. When the biodiversity of animals, plants and ecosystems decreases or disappears, it will seriously affect the food supply, access to clean water and the maintenance of life for all human beings. Therefore, the theme of the 6th International Children's Environmental Conservation Drawing Contest will be “Caring for the Earth's Biodiversity”. We sincerely invite children around the world to pick up their drawing pen, and support the global effort in safeguarding Earth's biodiversity.
